

BLANKE CUBELINE

BLANKE CUBELINE is a sleek tile edge protector that complements modern tile and stone designs. Unlike traditional edge protectors, this profile features a symmetrical »cube« shape. Several finishes are available which allow the BLANKE CUBELINE to provide decorative design and contrast. In addition to its decorative properties, the BLANKE CUBELINE also provides a durable protective edge for tile and stone applications. The chemical resistant stainless steel version even can be used as stairnose.
