

## BLANKE HD ANTI-SKID STEP STRIP

The BLANKE HD ANTI-SKID STEP STRIP is engineered to provide protection and skid resistance for tiled steps in commercial applications exposed to heavy foot traffic. The BLANKE HD ANTI-SKID STEP STRIP combines the strength and durability of extruded aluminum at the edge of the step where impact and wear is the severest. The inserts are available in 3 colors and are easily visible at the step edge to alert sight-impaired pedestrians.

**ALUMINUM** **8.0**  
INCL. PVC INSERT, GRAY
